Coronavirus

★★★★★ 5.0 / 5 (2)

To support healthcare professionals during the current crisis, we have made available the Coronavirus elearning Programme free of charge.

This programme brings together quality-assured content from NHS England [elearning for healthcare](#), NHS England and NHS Improvement, and the World Health Organization (WHO).

The programme is suitable for doctors, nurses, consultants, healthcare assistants, midwives and other allied healthcare professionals, including those who are returning to the workforce to help during the current crisis.

You can access the content online – enabling you to refresh and extend your knowledge on critical themes.

Testimonials

★★★★★ 5 / 5

Great insights on safeguarding both for adults and children. I have learnt a lot.

Coronavirus Course Participant

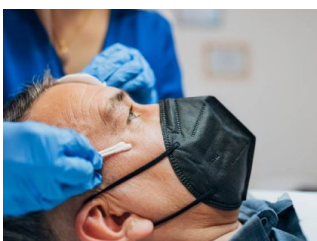

★★★★★ 5 / 5

Well worth doing this module, provided me with new information which will enable me to be culturally sensitive in the care I provide
